

# Hello World

joão3dg

30/06/2020

```
{r setup, include=FALSE} knitr::opts_chunk$set(echo = TRUE)
```

## R Markdown

**This is a markdown file**

```
{r cars} summary(cars)
```

## Including Plots

You can also embed plots, for example:

```
{r pressure, echo=FALSE} plot(pressure)
```

Note that the `echo = FALSE` parameter was added to the code chunk to prevent printing of the R code that generated the plot.
